

PHYSICAL INVENTORY COUNTS COUNT DAY CHECKLIST

- 1) Count by location, not by product
 - 2) Don't move misplaced items during count
- 3) Assign staff to count areas
- 4) Mark off areas as they are completed
- 5) Track consignment products separately(NOTE: count in a separate batch)
- 6) Pre-print barcode labels or print as you go
- 7) Stop all shipments & receiving
- 8) Use different staff for counting vs. posting
